WOW: Twin Rose Lady Riders Chapter

Greetings Roses & Friends!

I hope you are all keeping warm in this cooler weather!

I'm sorry things didn't work out for our October ride. The Ride Committee will be meeting before the end of the year to start putting together our schedule for next year. If you have any ideas for rides, please let me know. After Lynn and I went to Red Rabbit for lunch Sunday, that is making the list. If anybody chooses to drive up, you'll have a car hop put a tray on your window! If that isn't enough of an incentive, their milkshakes are delicious. Maybe that should be our theme next year, retro restaurants! Put on your thinking caps!

We are planning two Rose weekends away. One will be to Milford, near the Poconos. The other should be out toward the Purple Roses. We'll come up with dates and plans and let everyone know.

Our first indoor meeting will be on November 9 at 11am at Loxleys. And please save the date for January 10th — our party will be at the Conewago Inn again.

The board has met to discuss the upcoming year. A big thank you to Sue, Dawn and Lynn—they work hard to make sure our chapter runs smoothly.

And thank you Roses! Because of you, we have a great chapter!

Take care and stay safe!

Natalie

By the You Tube sensation Noraly Schoenmaker (Itchy Boots) with nearly three million followers.

An inspiring account of a 30-something geologist in the Netherlands who, in a moment of personal crisis, embarked on an epic transcontinental motorcycle ride. Through adventures and disasters, along the way she found a new sense of purpose. She discovered the true beauty of the world, the kindness of its people, the simplicity of its open spaces and an unshakable belief in her own capabilities.
