Joyce Lloyd

## Twin Rose Lady Riders

We began to gather in 1995 and that first enthusiastic group of riders was soon chartered by the national Women On Wheels® organization.

As South Central PA's WOW® chapter, the Twin Rose Lady Riders welcome female members (riders and passengers) as well as "support" guys. Some of us are seasoned bikers logging thousands of miles each year and others are new to the saddle. We come from all walks of life – business owners, factory and office workers, retirees, single, married – all sharing a common denominator... a love of riding. Members live east and west of the Susquehanna River (red and white roses!) and come together on sportbikes, touring bikes, scooters, trikes, and Spyders to enjoy great roads, fun destinations, and friendship. So it doesn't matter what you ride, only that you enjoy it!

The chapter hosts an annual Ride For HOPE\* charity run, and over the years we've raised many thousands of dollars toward breast cancer research and help for patients and their families. We also enjoy riding to MAWMMR – the annual Mid-Atlantic Women's Motorcycle Rally – a women-only gathering that brings together hundreds of riders for a great weekend of comraderie supporting breast cancer awareness. With breast cancer survivors among us, this cause is near to our hearts.

New members are always welcome, so come see what we're all about. Contact any of the names listed on back for info on our newsletter, rides, and meetings. Significant others are always welcome. You don't even need to own a bike — just have an interest in the sport and in making people aware of the positive attitude that prevails among women riders today.

*Ride Safe, But Ride!*

\*Check out H.O.P.E at [www.hopeforcancerfamilies.org](http://www.hopeforcancerfamilies.org)

Meets on 2nd Sundays,  
and other times, too!
