 **WOW: Twin Rose Lady Riders Chapter**

Greetings Roses & Friends!

Another Ride for HOPE!
Another great day of fundraising and camaraderie.

Thank you, thank you, thank you to everyone who helped with the event!

I am always worried we won't be ready in time, and we are. I am always worried that nobody will show up, and they do. I'm always worried we won't raise enough money to cover our expenses, and we did. We don't have the totals yet...and we're hoping more donations will be coming in. The weather was wonderful too!

Our chapter ride this month was to Rubes in Emmitsburg, MD. I had pre-run the route a week earlier. On the day of the ride, NanC was nice enough to lead! Although it was a little cloudy, the weather was great. Paula, Kathy M and I enjoyed a crab cake, while NanC and Jon had burgers. After lunch, Kathy M and I went to Battlefield Harley-Davidson where she logged her Miles for Heroes and I signed up. I'm not sure how much I'll get to ride, but every bit helps!

As Secretary Sue told you last month, I was on a cruise—an actual boat cruise, not motorcycle. I've never been on a cruise before and I wasn't sure if I would enjoy it. Apparently I CAN relax, if I can sit in bed and watch marine mammals through my balcony window. We stopped at Juneau, where we visited a glacier. The most fascinating part was that there is lichen that grows off trees near the glacier, but it disappears as you approach Juneau. Why? Because it only grows where the air is 99% free of pollution. Pretty sure that is the first time I've been in a location where the air is that pure. Skagway was a day that included a historic train ride, gold panning (I found \$18 worth) and petting sled dog puppies. Our last stop was Victoria Canada, a beautiful old city where we enjoyed watching a grey seal play in the harbor.

Happy Birthday

Roses, if your birthday has been missed
send it (mo/day) to suespittle@comcast.net

Our next Twin Rose ride will be to September Farms on Saturday, October 10. There is a diner right down the road, where we can have lunch. I LOVE September Farms cheese, so if you also enjoy good cheese, you might want to bring a cooler.

Take care and stay safe!

Natalie

September 12, 2026 Second Sunday MD Crabby Ride

We had perfect weather to ride to Rube's Crab Shack in Emmitsburg. Natalie was the official FOO but NanC offered to ride in front to travel along Route 234 instead of Route 30. (We cannot let NanC's bike, "Foxy," know she is leading as she acts out and won't run...)

Well Foxy figured it out on the way and sabotaged the GPS so that we ended up riding on Route 30 anyway. Regardless, it was a nice trip to Emmitsburg with Paula, Kathy M, Nat, NanC and Jon to Rube's. The food was fabulous, the service excellent and, as always, the friendship was the best! After getting satiated, we headed home. I can't eat crab, but it looked like the place to go for those who want all you can eat!
